

## Volunteer Duties

### **Checkpoint Volunteer:**

- Volunteers would be at different checkpoints along the walk and will hand out refreshments to the walkers that pass by. After the walk, volunteers will be asked to assist the dismantling of the checkpoints.

### **Floater:**

- Volunteers would be asked to monitor the main event and offer assistance to walkers when necessary. Floaters will be asked to assist any other position where support is needed.

### **Food Area Volunteer:**

- Volunteers will assist in handing out snacks and food items to the walkers when they reach the final destination of the walk-a-thon. They will also assist in the clean-up of the food area.

### **Registration Volunteer:**

- Volunteers would assist in the registration process prior to the start of the walk-a-thon. They will be supported by the Volunteer Coordinator and will assist in the sign-in of clients and give t-shirts to clients.

### **Set-Up/Tear Down Volunteer:**

- Volunteers will assist the event organizers in setting up and tearing down site equipment's. Volunteers will help in the cleanup and taking down of different site equipment, counting t-shirts and supplies.
